

December 2016 Licensure Updates:

HI – Hawaii Department of Health now requires any supplier providing durable medical equipment or supplies to any consumer in the state of Hawaii to obtain a license

All States/Territories – Added 3 Product/Service Codes to Licensure Database: DM24 (External Infusion Pump Supplies); DM25 (Insulin Infusion Pump Supplies); and DM26 (Support Surfaces: Pressure Reducing Beds/Mats/Pads – Used) to correspond to revised CMS-855S (05/16 Version)
