

RAPS ICD10 COMPLIANT FORMAT IMPLEMENTATION

The final date for plans and submitters to use the current RAPS format is Friday, December 30, 2011, 5:00 PM EST. All RAPS files submitted after this date and time **must** be in the new ICD10 Compliant RAPS format.

Due to the holidays, files submitted **before** 5:00 PM EST, December 30th via NDM or GENTRAN should receive their Front End Response Report by Tuesday, January 3, 2012. FTP submitters will receive their report on the date submitted.

All files received **after** the 5:00 PM deadline will be processed Tuesday, January 3, 2012.

In the event you have any questions regarding the RAPS ICD10 Compliant Format implementation, please contact CSSC at cssoperations@palmettogba.com or 877-534-2772.
