

August 2, 2021, Jurisdiction M (JM) Open Meeting Transcript

Dr. Lisa Banker:

I have just started the recording of this open meeting in compliance with CMS. For the record prior to doing so, I announced that Palmetto GBA would make an audio recording of the open meeting and consented on behalf of Palmetto GBA.

My name is Dr. Lisa Banker. I am a Contractor Medical Director with Palmetto GBA. Today's meeting will actually be brief. Palmetto GBA did not receive any requests for presentation regarding the proposed LCDs that are out for comment; however, for anyone that has called in on the line today and is interested in providing any sort of comment on these policies, we do want you to know that you can do so. Written comments can be submitted to B.Policy@palmettogba.com. So, let me repeat that one more time. That is B.Policy@palmettogba.com.

I wish to thank you very much and wish you a pleasant afternoon. This is going to conclude the JM open meeting for August 2, 2021. Thank you.
